Motive Music Therapy, LLC (MMT) is a private practice located in Tampa, Florida that serves the greater Tampa Bay region. Interns at this site will have the opportunity to work with a wide variety of clientele including children and young adults with varying disabilities, early childhood, memory care and older adults, ASD, and special education. Client work includes both individual and group sessions. MMT's internships run from January-July (Winter Internship) and June-December (Fall Internship). The deadline for winter internship applications is October 31, with interviews conducted in November; the deadline for fall internship applications is March 30, with interviews conducted in April.

Benefits of a Motive Music Therapy Internship:

- Training under experienced supervisors with various music therapy backgrounds
- Access to a full clinic with resources, instruments, session spaces, and work spaces
- Opportunities to work in a team-based, collaborative environment and full access to team resources
- Participation in community events

The requirements and expectations of a Motive Music Therapy Intern are as follows:

- A minimum of 900 hours accumulated over the course of a 6 month internship
 - Interns are expected to work roughly a 40 hour work week Monday through Friday
- A caseload of 10-15 clinical hours in the first 3 months, and a caseload of 15-20 clinical hours in the final 3 months
- Case Study Project
- Internship Project
- Weekly supervision meetings
- Upkeep of documentation and timelog
- Completion of mid-term and final evaluations in adherence with AMTA
- Additional assignments and projects at the discretion of the internship supervisor

Motive Music Therapy is dedicated to providing compassionate, empowering, and community driven work. MMT's team follows evidenced based practice, a whole person approach, and promotes inclusion and trust with all patient care.
